**10 YEAR ANNIVERSARY SALE!**

**April 5<sup>th</sup> & 6<sup>th</sup> 2024**

WELCOME

DEAR WAGYU ENTHUSIAST,

Another year and another sale at the M6 Ranch. However, this year is extra special because we are celebrating our 10 year Anniversary in the Wagyu business. We want to greet everyone that has been on this journey with us. After all, we are brothers and sisters in Wagyu. We are family!

It is time to have a "good time" and honor those that have supported us. We are shaking things up a little bit because of the special occasion and are starting Friday evening with a Social, Ceremony of Appreciation for supporters, selling exciting Lots 1-15 and a Wagyu steak dinner prepared by Chef Jason McConnel to close the evening. Saturday be ready for more fellowship, Wagyu brisket lunch and a loaded elite offering as we sell Lots 16-117.

Again, WELCOME and your participation is very much appreciated. We have sold a lot of cattle over the years but it's the relationships we have built that are the true treasure. Many of you will be life long friends and we want to have the opportunity to build new friendships with the new faces that come to this event. We are depending on you to make this a special event and the gratitude for each one of you warms our hearts. Hopefully by now, you know we have good cattle and will go the extra mile to earn your business. We are BETTER TOGETHER!

It is a competitive business trying to breed cattle that rank at the top of the breed. That is healthy for the Wagyu breed. However, our hearts are filled with joy every time a customer has a calf that shows up on the EBV leader boards. We are so thankful that has happened many times this past year. Most of those new standouts came from E.T. heifer pregnant recipis that were sold last year. This years, E.T. heifer pregnancies and embryos selling Friday have a legitimate chance at leading the Wagyu industry in America if not the globe. We take so much pride in the success of our customers and truly expect them to do well. We feel our success is because of your success we want that for you and am willing to help if possible. We are BETTER TOGETHER!

I'm getting "long winded" and need to wrap this letter up. Through the "ups" and "downs" in the cattle business let me encourage you to "stay the course". Nothing is more valuable than the things we have to sacrifice for and work hard to obtain. The Wagyu breed is a treasure in the world beef supply. Look how far the Wagyu breed has come in such a short time. We have only scratched the surface towards the impact this breed will have on the beef cattle industry. Let's pull on our boots and get a determined attitude because we are BETTER TOGETHER!

Sincerely,  
Jessica and Kevin Moore

CANT MAKE IT? - BUYING INTERNATIONALLY?  
**Bid Online**

**HERE'S HOW IT WORKS**

Go to [www.LiveAuctions.tv](http://www.LiveAuctions.tv). Please note that you do NOT need an account to watch the auction, but you do need to register an account and request a buyer number if you wish to bid. If you have not created a new account since September 1<sup>st</sup>, 2020 you will need to click "Register" in the top right corner of the homepage and create a new account. Once you have completed the form on this registration page and hit the "Register" button you will receive an e-mail with a place to click on to verify you have entered a valid e-mail address. Once you have completed this registration process, find the auction you are interested in on the homepage and click on it (sales are listed in chronological order). You should then see a box that says Login. Now that you have an account with LiveAuctions just type in your E-mail Address and Password. You will now see a hyperlink at the top that says "Request a Buyer Number". The first time you request your first buyer number on LiveAuctions it will send you a text message with a verification code in it. Type the code from the text message into the area requiring it and you will then see your name along with a buyer number listed at the top of the webpage where the live video is and you will be able to bid. You will only have to complete this two-step verification process one time. After that you will be able to immediately request a buyer number on any auction without verification through an e-mail or text message again.

LiveAuctions no longer requires an app. If you wish to view/register/bid on a smartphone just type LiveAuctions.tv in whatever web browser you use. The registration process is the same as it is on a desktop computer, but the website is built mobile friendly. Click on the three lines in the top right corner to access the menus.

Bidders who are successful in making purchases will be contacted by the ranch after the auction to settle payment and discover your shipping plans.

If you need help registering to bid or to view the auction please call Technical Support at (682) 816-4900 or e-mail us at [TechSupport@LiveAuctions.tv](mailto:TechSupport@LiveAuctions.tv).

**Terms & Conditions**

Cash or check settlement is due immediately upon completion of the sale. Absentee buyer settlement is due the week following sale. Any terms differing from what is stated above must be approved by Kevin or Jessica Moore or the sale management team.

**Liability**

All persons attending this sale do so at their own risk. Seller or property owner assumes no liability, legal or otherwise, for any accidents occurring in, on, or about the premises.

**Hotels in Alvarado** (Ask for the M6 Ranch rates)

Comfort Inn & Suites - Event Headquarters ..... 817-409-3798  
 Holiday Inn Express ..... 817-783-7573  
 Super 8 ..... 817-790-7378  
 La Quinta Inn ..... 817-783-8700

**Local Airports**

Most major airlines fly into DFW Airport and Love Field. Both are about one hour away.

**Cattle Videos**

Our goal is to have cattle videos available two weeks prior to the sale. Videos were produced by Robert Schacher  
 View cattle videos at:  
[www.jdaonline.com](http://www.jdaonline.com)

**Supplemental Information**

Any errors, updates, or changes in information contained in this catalog will be announced from the auction block and included in a supplement sheet on sale day. Announcements from the block take precedence over the catalog and any prior released information.

**Sale Order**

All lots will sell in catalog order - any changes to this will be announced on sale day.

**Load Out**

Cattle will not be loaded out during the sale.

**Trucking**

Kevin Moore ..... 817-822-7109  
 Jon Smith ..... 817-357-6499

Buyers are encouraged to bring a trailer. Every effort will be made to deliver purchases to a convenient location or the buyer's ranch within the lower 48 states. In some cases this may require additional transportation by the buyer

- \$100 per head delivery fee in Texas
- \$2 per loaded mile for cattle to be delivered in the lower 48 states is our standard fee

## HERD HEALTH

All cattle will have Interstate health papers provided by the Alvarado Veterinary Clinic. All cattle were last boosted for respiratory disease, black leg, leptospirosis, and dewormed (Triantel 10 HB with Enhance, Ultrabac 7, and IVERMAX POUR-ON) in January of 2024. ALL THE BULLS ARE VIRGINS!!

## M6 BREEDING GUARANTEE

All bulls born in August through November 2022 will have passed a Semen Soundness Exam prior to the sale and are considered breeders. All other bulls too young or immature to be fertility tested prior to sale are guaranteed breeders. If a bull is injured within the next 6 months before turn out (making them functionally infertile), M6 will provide you a satisfactory replacement (if available) or issue you a credit equal to your purchase price, minus the salvage value that maybe used toward the purchase of any animal in the next M6 sale. This is not MORTALITY INSURANCE. Bulls must be fertility tested within 1 month of turn out to qualify for the M6 guarantee.

## FREE BULL DEVELOPMENT FOR 3 MONTHS AFTER THE SALE ON YEARLING BULLS

## TRUCKING LIABILITY

Buyer assumes 100% liability of livestock hauling risk. All buyers will hold harmless M6 Cattle Co. LLC, M6 employees, M6 contract employees, and/or Kevin & Jessica Moore individually or any combination thereof; M6 has delivered purchased cattle for over thirty years without any known injury to an animal. However, M6 will not provide this service without the buyer understanding that we will only haul the purchases at the buyer's risk.

## FOREIGN BUYERS

Purchases are FOB Alvarado, TX. M6 Ranch will work to complete necessary health work to satisfy other country import requirements. However, the buyer is responsible for additional health paper requirements, care and transportation expenses. M6 Ranch cannot guarantee that purchases will pass the necessary tests for export.

## RECESSIVE GENETIC CONDITIONS

A "recessive" trait is one that is only physically observable when a calf inherits a mutated copy of DNA from BOTH parents. NO bull in this sale is AFFECTED by the Six Recessive Disorders currently recognized by the Australia and/or America Wagyu Associations. The Six Recessive Disorders recognized by the Australia and/or America Wagyu Associations are F11, F13, CHS, B3, IARS, and CL16. For more information on how Recessive Disorders may affect an animal's health can be found at the Australia or America Wagyu Association website.

## Sale Management - James Danekas & Associates

Not only is it exciting, it is an honor to assist the M6 Ranch Wagyu program with their 10<sup>th</sup> Anniversary event. Our firm has been with the M6 team since they began their journey in the Wagyu breed and have seen the M6 Ranch take the breed to another level. Kevin and Jessica Moore bring not only a wealth of cattleman knowledge to this breed; they also bring years of successful seedstock endeavors to the table. Their past experiences with successfully producing award winning and breed changing Charolais genetics has taught them what does and does not work when breeding seedstock to take on the industry. They have started with a solid foundation of Wagyu genetics and have successfully bred and grown their program into one of North America's most dominating programs that has set the precedence among the industry. From record high selling animals to some of the breed's highest ranking individuals, the M6 Ranch is a program that you will want to invest in to be the best.

“Mr Universe” **073H** is a top 1% \$SRI sire and the #2 \$SRI sire born in America. He is FREE of recessive and the first animal born in the U.S.A. to lead \$Profit traits in all of BREED-PLAN. He is unique because of his combination of elite Growth with excellent Carcass Traits. “Mr Universe” **073H** is special to us at M6 because he helped put us on the map when his top 1% genetics sold for \$190,000 for ½ interest.

**0128H** is a top 1% Marble Score and \$F-1TI sire. In fact, he is the #2 \$F-1TI Sire born in America and is also FREE of recessive conditions. **0128H's** extra Milk and Calving Ease genetics also add value to this American born stand out.

The hope of what can be built manifest into joy and peace because we are working with the best. After more thought she should help cure world hunger and racism as well. **352L** is the one to give us hope, joy and peace. She might be responsible for a once in a life time history making ECLIPSE in our solar system a few days after the sale. Don't believe? Just watch. **M6 RANCH P342 CHISAHIME 352L** is the #1 \$SRI animal (male or female) in the U.S.A. She is also the #1 \$FBTI and #1 \$WBI in the U.S.A. while also boasting as the #3 \$F-1TI animal in the U.S.A. according to January (run 2) 2024 BREEDPLAN. **352L** has top 1% genetics for MCW, CW, Marble Score, Marble Fineness and all four \$ Profit Indexes. She combines those top 1% genetics with top 2%-10% genetics for GL, 200 Day Wt., 400 Day Wt., 600 Day Wt. and Eye Muscle Area. She is no doubt extremely valuable, unique, special, and one of a kind! **ARUBIAL UNITED P0342**, her sire is the #1 \$SRI sire in the world. His progeny have set records for value here in the U.S.A. Two six-month old full-sibs sired by **UNITED** brought \$400,000 and \$325,000 for Triangle B Ranch in March 2023. **M6 RANCH P342 CHISAHIME 352L** is genetically more valuable than them with the best \$SRI of any animal in America. She stems from the highly-proven yet rare CHISAHIME maternal line. **352L's** dam, **1109J**, and maternal grand dam, **8128F** are well-balanced, stout-made, and heavy-milking Wagyu cows.

We are selling 1/2 interest in **M6 RANCH P342 CHISAHIME 352L**. The buyer will receive 1/2 of her embryo production and re-sale value. Her natural born calves will be jointly owned with M6 Ranch for future embryo production, natural calves and/or sell purposes. At no expense to the buyer, the M6 Ranch will manage her embryo work and breeding. The buyer is responsible for 1/2 of the embryo production expenses, semen, and daily care. At M6, we want you to enjoy the experience of being a partner with us and plan to make it as profitable and hassle-free as possible.

Selling a recip due 8/11/24 with a fetal sexed E.T. heifer pregnancy. The donor dam, **LMR"0353H"** is the \$100,000 female sale topper at the 2022 Texas Fall Wagyu Sale. She is the #3 \$F-1TI Dam in the U.S.A. who is FREE of recessive conditions. **0353H** has top 1% genetics for EMA, Marble Score, and all four \$Profit Indexes. This mating's dam, **0353H**, has already produced the highest Marble Score bull in this offering (MS 3.4). This mating's sire, **ARUBIAL UNITED P0342** is the # 1 \$SRI Sire in the world and it appears that 95% of the Genomic leaders have the influence of this great, breed-changing sire. This E.T. heifer should have top 1% values for both Carcass and Profit traits. She will be one of the top Genomic EBV females born this fall in the America.

Selling a recip due 9/2/2024 with a fetal sexed E.T. heifer pregnancy. The new generation donor dam, **281K**, is a very complete **L10** daughter with excellent Growth, Milk, Fertility, Eye Muscle Area, Marbling, and \$Profit traits. She is also FREE of recessive disorders. Her top 5% EBVs are impressive and **281K** is the kind that has produced those recent #1 \$SRI animals in the U.S.A. for the M6 Ranch. What makes this mating even more exciting is the fresh and new genetics of **OLIVE GROVE WAGYU S033**. This will be one of the first born in the U.S.A. and certainly could be the first heifer born with this mating. **S033** is loaded with top 1% Carcass and Profit genetics. He is the #8 \$SRI Sire and #7 \$F-1TI Sire who is FREE of recessive disorders. **S033** is extremely exciting because he is also an outcross to the leading genetics used in the U.S.A. Don't be questioning "What is next?" when it is right in front of you. Offered by Platinum Wagyu.

Selling 2 conventional grade 1 embryos. No cow has a shot to the top of the U.S.A. population any faster than **M6 RANCH F154 HIKOKURA 189J**. In fact, **189J** is the #2 \$SRI Dam and \$F-1TI Dam who is FREE of recessive disorders. She is a maternal sister to the famous, **TBR "3025Z"** cow who is the #1 \$F-1TI Dam in the U.S.A. A **189J** heifer pregnancy sold last year for \$39,000 to Santos Patronos and the result of that mating produced the #1 \$SRI female in the U.S.A.. That heifer is still currently #5 in the U.S.A. with top 1% genetics. With just a handful of **189J's** first calves being genomically evaluated she has also produced the #1 \$SRI male in America. **189J** is fast becoming an ICON of the breed. The sire of these embryos, **OLIVE GROVE WAGYU S033** offers fresh, new and outcross top 1% Carcass and Profit genetics. **S033** is the #8 \$SRI Sire and #7 \$F-1TI Sire who is FREE of recessive disorders in the world. This mating could produce the next "great one" with new and exciting genetics.

stored at Elgin Breeding Service, Elgin, TX - sells per embryo - buyer responsible for shipment

Selling 2 conventional grade 1 embryos. **LMR LS L10 1734J** is the #2 \$F-1TI Dam and #7 \$SRI Dam in the U.S.A. with her top 1% Eye Muscle Area, Marble Score and Profit genetics. Last year, the **1734J** heifer pregnancy sold for \$36,000 to Bella Cattle. That heifer became the # 8 \$SRI female in the U.S.A.. Many breeders may remember **1734J** as the \$50,000 **L10** sired yearling heifer that sold at the 2022 Texas Fall Wagyu Sale. The **UNITED/L10** mating has produced the most profitable animals in the U.S.A. Not all **L10** daughters are the same. **1734J** is absolutely one of the best. This mating's sire, **ARUBIAL UNITED P0342** is the #1 SRI Sire in the world and it appears that 95% of the genomic leaders have the influence of this great, breed-changing sire. There is no question that these embryos could easily produce the next Carcass and Profit champion.

Selling 2 conventional grade 1 embryos. **M6 RANCH L10 HIKOKURA 0166H** is the #4 \$F-1TI Dam in the U.S.A. sired by **L10**. She is also the #9 \$F-1TI Dam in the U.S.A.. The donor dam, **0166H** has top 1% genetics for both Marble Score and \$F-1TI with her 3.1 MS EBV. It is no secret that the most profitable animals in the U.S.A. so far are the product of mating **UNITED** to top EBV **L10** daughters. There is also no question that this mating will produce top 1% Carcass and Profit genetics. At M6, we have gone back to the basics in embryo production concentrating on conventional collections. It is much more work but the improved conception rates are worth it. You can take advantage of that extra work and get a two-fold return on your investment.

Selling 2 conventional grade 1 embryos. **M6 RANCH F154 HIKOKURA 183J** is a maternal sister to the \$400,000 **TBR "3025Z"** cow who is currently the #1 F-1TI Dam in the U.S.A. **183J** has impressive top 5% Carcass and Profit genetics. This mating's sire, **GMNY GOLD FINGER T27** is the #1 \$F-1TI bull in the U.S.A. and is a son of the **3025Z** cow. This mating is line breeding at its best. We are concentrating on the maternal family of the **3025Z** cow and her dam the **035X** cow. When it works, we will have concentrated those extreme carcass genetics without spending \$400,000. Are you in?

**M6 RANCH BAIL U OUT 298K** is the #1 \$SRI, **BOND** son in the U.S.A. and has top 1% genetics for Eye Muscle Area, Retail Beef Yield, Marble Score, and all four \$Profit production scenarios. **BAIL U OUT**, out ranks his famous sire for every Growth, Milk, Fertility, Marble Score, and \$Profit trait. He is also the #4 \$F-1TI breeding-age bull in the U.S.A. who is FREE of recessive disorders. **BAIL U OUT** greatest asset may be that he is a complete outcross to **UNITED**. Don't know if you've noticed but it is hard to breed \$Profit leaders without **UNITED** being their sire. Now those **UNITED** daughters are coming breeding-age and **BAIL U OUT** is the ideal choice for adding top 1% Carcass and Profit traits while also being an outcross. Female sexed semen also adds value if you are not planning to hang them all on the rail.

**FEMALE 413M 2/12/2024** RECESSIVES: CHSC POTENTIAL

Sired by: SUNNYSIDE Q0540

**R068** is a beautiful, stout, heavy-milking **L10** sired donor. She breeds way better than her numbers. **R068** has already produced a former #1 \$SRI female in the U.S.A. That heifer, **318L**, currently ranks as the top 2 \$SRI female in the U.S.A. who is FREE of recessive disorders. We sold 1/2 interest in that heifer, **318L**, in the Synergy 2023 sale in August for \$75,000 to Bella Cattle. Now, **R068** has a heifer calf at side sired by **Q0540** and it is the first **Q0540** animal born on the M6 Ranch and probably the U.S.. The buyer will get two donors from this package.

318L  
Maternal Sister to Lot 45  
(\$75,000 1/2 interest heifer)

**2100K** is a bonafide donor prospect! She is a maternal sister to the 1/2 interest \$75,000 heifer, **318L**, that topped the Synergy 2023 August Sale. Her Carcass and Profit credentials are impeccable. Take a look at her dam, **068H**, Lot 22 and know that **2100K** will mature into a glorious brood matron. She is **FREE** of recessive conditions and her maternal sister, **318L**, is the current #2 \$SRI female in the U.S.A. who is **FREE** of recessives.

# L10, BOND & UNITED Daughters

320L

**320L** should be headed to the donor pen! She is a high-Growth heifer who is FREE of recessives and has outstanding Marbling and Profit credentials. Her dam, **119J**, is the #1 \$SRI Dam in the U.S.A. sired by **L10**. **320L's** maternal sister, **2108K**, is the current #2 \$SRI female in the U.S.A. **320L's** sire, **0128H**, is the current #2 \$F-1TI Sire in the U.S.A. who is FREE of recessives. We have plenty of reasons to believe **320L** has elite genetics in her.

## FREE BULL DEVELOPMENT FOR 3 MONTHS AFTER THE SALE ON YEARLING BULLS!

M6 is offering to continue to grow and develop the yearling bulls (born January through April 2023) FREE of charge to the buyer. That is about a \$500 value per bull. Some of the yearling (spring born) bulls might need to grow and mature before they are "turned out" for heavy service. M6 would like these bulls picked up by July 6th, 2024. That is exactly 3 months.

M6 can also grow and develop the older bulls (born August through November 2022) only if you do not have a place or management to properly handle bulls. If you want M6 to continue to grow and develop the "older" bulls it will cost you \$5 a day per bull. These bulls also need to be picked up by July 6th, 2024.

In the event a bull is seriously injured or dies a credit equal to the purchase price minus salvage will be issued for another bull in the next M6 sale if an equal quality replacement is not available.

# Herdsire Kind! Older BOND & UNITED Bulls

*selling choice* Lots 54 & 55

2101K

Herd sire alert! If you did not get Lot 17, **M6 RANCH BAIL U OUT 298K**, you probably need to land here. **2101K** is a flush-mate brother to **M6 RANCH BAIL U OUT 298K** with his own top 1% genetics for Eye Muscle Area and Marble Score. He is stout and deep-bodied. **2101K** is a Calving Ease, extreme Carcass quality and \$Profit specialist and he is FREE of recessive conditions. His dam, **064H**, is the #3 \$SRI Dam in the nation sired by **L10**.

282K

**282K** is a big and stout older **UNITED** bull with top 1% Growth and \$Profit traits along with top 20% Marbling. Wow! He mashed the scales with the heaviest Weaning and Yearling Weights in the sale. More pounds of highly marbled beef is the goal and **282K** might do it better than all the rest.

76

328L

Let's end the bull offering with a top 1% prospect. Wow! He has top 1% genetics for Carcass Weight and \$SRI. **328L** is a 2nd calf or cow-safe kind of bull but a little more birth comes with top 1%-5% Growth traits. Cows need love too and **328L's** progeny will mash the scales for added profit on pay day. He is FREE of recessive conditions.

## M6 MISSION STATEMENT

Jesus said (Luke 10:27) the greatest commandment is to love the Lord thy God with all your heart, soul, strength, and mind, and love to love your neighbor as yourself. Our Mission is to serve our fellow man by raising the most efficient, quality beef cattle possible through our God given resources, skill, and discipline, while we serve God's most precious creation- **People with honor, fairness, and beef...**
